Sir or Madam:

In response to the Office Action mailed 15 September 2004, please amend the above application as follows:

Claims: Cancel all claims of record and substitute new claims 18-31 as follows.

18. A method for producing methane-utilizing microorganisms in a confined apparatus comprising using the methane exhaled through ruminant animal exhalation as a source of carbon and/or energy for the growth of said microorganisms, comprising:

- a. collecting methane gas that has been exhaled through ruminant animal exhalation,
- b. providing methane-utilizing microorganisms which can use said methane as a source of carbon and/or energy for growth,
